

# ALLERGENS & ADDITIVES

## DEAR GUEST,

With this allergen information card, we provide you with information about **the allergens and additives** contained in our food and drinks.

Unfortunately, we cannot rule out 100 % cross-contamination from a wide variety of ingredients in our kitchen. Traces of gluten-containing grains, egg, peanuts, soy, milk, tree nuts, celery, mustard, mollusks, fish, lupins, crustaceans, sesame, and sulfites may be present in all products.

A = contains soy

B = contains milk (lactose-free)

B+ = contains milk (incl. lactose)

C = contains egg

D = contains sesame seeds

E = contains peanuts

F = contains mustard

G = contains cereal with gluten:

(g) = barley, (h) = oats,

(r) = rye, (w) = wheat

H = contains nuts:

(c) = cashew, (h) = hazelnut,

(m) = almond, (p) = Pistachio

(w) = walnut

I = contains fish

J = contains celery

K = contains sulphur dioxide and sulphites

L = contains crustaceans

M = contains molluscs

N = contains lupine

1 = contains colorants

2 = contains antioxidants

3 = contains preservatives

4 = contains nitrite curing salt

5 = contains sweeteners

6 = contains a source of phenylalanine

7 = contains caffeine

8 = contains quinine

9 = contains phosphate

## **FOOD FILTERS & NUTRITIONAL VALUES**

Our nutritional value calculator helps you to find exactly the right products and filter our food and drinks according to allergens, their nutritional value and your eating habits.

Simply scan the QR code:

## **VEGAN & VEGETARIAN**

Our labelling is based on the guidelines for vegan and vegetarian foods, which also take into account additives and processing aids. We only use vegetable frying oil and only fry vegan and vegetarian food in our deep fryers.

If you have any further questions, cannot find a product or your allergy is not listed, please consult a member of our service team.

We hope that we can make you happy on this visit too!
